Dear Maria Luisa Consuelo Marquez Jaramillo:

The New Mexico Genealogical Society is pleased to present you with your Primeras Familias de Nuevo Mexico Certificates.

Your application has been reviewed and approved and will be entered into our New Mexico Records file. The research for this certificate was done by Ronald L. Jaramillo. We appreciate the time and effort he has invested in documenting your ancestors.

You should be proud of your heritage. Those who came as explorers and settlers to New Mexico faced many hardships and were truly strong and courageous pioneers. Their legacy to you, a descendant, is something of which you should be uniquely proud.

Your diligent research has established for you a place in New Mexico's history. We are pleased to honor you with this certificate. Congratulations.

Sincerely,

Ernie P. Jaskolski
New Mexico Ancestor Chairman
